Charming Golden home with incredible views of Table Mesa!

You'll fall in love with this wonderful bi-level home with 3 beds, 2 baths, a 2 car garage featuring a huge, flat yard and some incredible views ... so come by and see it this weekend!

As you walk into the upper floor, the bright and open living room makes way to a beautifully finished Kitchen. 42" cabinets, quartz counters and a stylish glass backsplash compliment the gorgeous wood flooring that runs throughout the main floor.

Just off the Kitchen is the back stairs to the large and level backyard with raised garden beds. Evening sunsets out back are magical and certainly will be something to look forward after a long day at work
